## **DETAILED ACTION**

### ***Election/Restrictions***

Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in reply to this action, to elect a single invention to which the claims must be restricted.

Group 1, claim(s) 1-15 and 24-30, drawn to a crosslinked polyether and method of preparation.

Group 2, claim(s) 16-23 and 31-40, drawn to a crosslinked polyether and method of preparation.

Group 3, claim(s) 41, drawn to a monomer.

Group 4, claim(s) 42 and 48-50, drawn to a compound and use.

Group 5, claim(s) 43 and 51, drawn to a compound and use.

Group 6, claim(s) 44, drawn to a compound.

Group 7, claim(s) 45, drawn to a compound.

Group 8, claim(s) 46, drawn to a compound.

Group 9, claim(s) 47, drawn to a compound.

Group 10, claim(s) 52, drawn to a polyether resin.

The inventions listed as Groups 1-10 do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: The special technical

feature shared by the above groups is that they are crosslinked polyethers, or are monomers used in the synthesis of crosslinked polyethers. Crosslinked polyethers are well known in the art. See, for example, Asai et al (EP1288272), page 20, line 18.

Applicant is advised that the reply to this requirement to be complete must include (i) an election of a species or invention to be examined even though the requirement may be traversed (37 CFR 1.143) and (ii) identification of the claims encompassing the elected invention.

The election of an invention or species may be made with or without traverse. To preserve a right to petition, the election must be made with traverse. If the reply does not distinctly and specifically point out supposed errors in the restriction requirement, the election shall be treated as an election without traverse.
